# Volkswagen Certified Pre-Owned Limited Warranty Coverage

## Purchased **ON** or **AFTER** **April 1, 2026**

Certified Pre-Owned Limited Warranty coverage is an additional 2 years or 24,000 miles (whichever occurs first) beginning at the expiration of the 4 years or 50,000 miles (whichever occurs first) New Vehicle Limited Warranty, or from the CPO sale date if the

New Vehicle Limited Warranty has expired at the time of sale for MY20 and newer CPO vehicles purchased on or after April 1, 2026 only. Repairs covered by this limited warranty will be performed at no additional charge after a deductible of \$50 per dealer visit. See owner's literature or dealer for warranty exclusions and limitations.

### High-Voltage Battery Limited Warranty

Electric vehicles have a high-voltage battery warranty for 8 years or 100,000 miles, whichever occurs first, for defects in material and workmanship and for a capacity of at least 70%. The battery net capacity coverage includes any repairs needed to return battery net capacity to a level of 70%. Coverage may not return the high-voltage battery to an "as new" condition with 100% net capacity. See owner's literature or dealer for warranty exclusions and limitations.
